Top Internet Sites Featured in August

The next KARS meeting will be Tuesday, August 2nd, 7PM at the St. Mary's Hospital meeting room.

After a short business meeting there will be an interesting program on some of the best web sites on the Internet.

Everyone can participate. Write down some of your favorite web page URL's. We will have a connected laptop and projector to explore them.

Ham Radio and electronics sites are a natural of course. However, any and all subjects that are particularly unique and useful are encouraged.

AUGUST BOARD MEETING LOCATION TO BE ANNOUNCED

In a departure from our usual board meeting site, club members will be able to decide the location of the August board meeting at KARS general meeting. Harry WD9FYF has offered to research three restaurants with meeting rooms. The meeting will be held on August 16th. Tune into the net to find the locale. As usual, eat at 6, meeting at 7. Next month the location will once again be printed in the newsletter

EXCELLENT FIELD DAY!

Mother nature cooperated, propagation was fair, the noise levels were low, the food was great and Murphy stayed at home!

Field Day just doesn't get any better. Held again at N9REG's QTH (thanks Kevin!), the KARS operation racked up an additional 500 points over last year. All stations (including GOTA) did quite well. K9FO & company worked a solar power contact and two satellite contacts for extra bonus points. The new 20 Moxon antenna worked extremely well

Kudos and thanks to N9RJM, N9OE and N9MBR for bring out their RV's to operate from. The KARS EM-COMM trailer proved to be a success. It comfortably accommodated an HF station and the VHF/UHF station. Nice work guys!

Craig N9FD catches up on some sleep before demonstrating remarkable code copying skills.
