NEW YEARS EVE DINNER

If you and your spouse aren't the types that go out on New Years Eve and drink yourselves blind but you would still like to do a little something to usher in the New Year, we have a suggestion.

Unofficially, a small group of KARS members have been meeting at El Campesino around 6 PM on New Years Eve for dinner and friendly conversation. We then go our own way to party or more often; go home, relax and welcome the New Year in our own way.

As stated earlier, this is an unofficial activity...not to be confused with the annual KARS banquet. While there are no reservations required, we need to have an idea of how many plan to show. Last year, so many KARS members showed up that the restaurant actually ran out of food stuffs to prepare!

This is a relaxing get together. No program. No plans. Just order from the regular menu, visit, enjoy the food and have fun. If you and your significant other plan to attend, send Clay N9IO an email at: n9io@hotmail.com to let him know.

MERRY CHRISTMAS!
