June 2015

June Meeting at the Sheriff's Dept/EOC

The [next KARS meeting](#) will be June 2nd, 7PM at the Sheriff's Dept/ESDA Building south of town. Enter the front entrance and the County ESDA room is immediately to the right.

After the general meeting, there will be planning for Field Day and a roundtable discussion of emergency communications.

TUNING THE BANDS

As we leave the Spring Equinox behind and move towards the summer Solstice, DXing on the HF bands often drops off a bit.

However, summertime 6 meter propagation is cranking up with openings from the Midwest to the deep south, the far western states, the east coast and even to Central and South America.

Single hop E Skip and occasional double hop is common now. Keep an eye (ear) on the Magic Band. Also, check out 2 meter SSB/CW for tropo propagation. Lots of fun to be had!

TRANSMITTER HUNT

The [next foxhunt](#) will be Sunday, May 31 at **12:00PM**. Don't forget the earlier time! Usual rules and start location apply. K9QT to be the fox. Another foxhunt will be held on June 13th.

NCS FOR JUNE

KARS FIELD DAY

Attention all KARS members:

Lots of help will be needed Saturday morning, June 27th, to get the antennas up in the air, generators set up, etc.

Setup will start at 10AM Saturday. KARS operations will commence at 1PM local and run around the clock till 1PM Sunday. We will be operating portable with emergency power.

All members are invited to participate.

Camp all night if you like or come and go as you please.

Dues paying KARS members who participate in the setup, teardown, or operation are entitled to participate in the Saturday dinner cookout! The cookout will feature free burgers and brats (or whatever you prefer to bring) with Will K9FO manning the charcoal grill. Remember to bring chairs, (a small folding table is a good idea) table service, mosquito spray and beverage as well as a side dish or dessert to share with your fellow hams. See you at [Field Day](#).

Come to the meeting for directions or check out the [ARRL Field Day](#) operations map on the League web page.

A big thank you to Kevin N9REG and his family for again hosting KARS Field Day at their lovely location. Please don't drive on the grass.

HAPPY BIRTHDAY

June 5	KD9CBG
June 10	N9OQC
June 20	KC9LBZ
June 26	KF9DM
June 26	W9IOU
June 30	K9BAK

If we miss your birthday or get it wrong, please let us know!

Join the fun at ARRL Field Day!

FCC ELIMINATES VANITY CALL FEE

The FCC is eliminating the regulatory fee to apply for an Amateur Radio vanity call sign. "The Commission spends more resources on processing the regulatory fees and issuing refunds than the amount of the regulatory fee payment," the FCC said. "As our costs now exceed the regulatory fee, we are eliminating this regulatory fee category. The current vanity call sign regulatory fee is \$21.40, the highest in several years. The change will go into effect in about 90 days. The FCC said it would not issue refunds to licensees who paid the regulatory fee prior to its official elimination.
