ANNUAL KARS OCTOBER AUCTION

The next KARS meeting will be October 6th, 7PM at St. Mary's Hospital meeting room. Use the main entrance on the South side. **Following a very brief business meeting, will be the annual KARS auction!**

Rummage through your garage, shed, basement, attic, etc for electronic goodies to be auctioned off.

Anything radio, electronic, computer related is appropriate. Probably best not to bring your new \$8K rig...unless you want to sell it cheap!

NEW REPEATER CONTROLLERS ONLINE

As you can probably tell the new repeater controllers are on line. Thanks to Bill N9OE and Andrew N9BMB for the hard work assembling and programming the new gear.

Bill N9OE and Don K9NR installed all three controllers in a marathon session with a little help from Tom KC9ZKA.

There will be important programming additions made to the systems, so stay tuned for more developments.

THREE FAB FOXHUNTS

Transmitter hunts were held on August 30th, September 13th and September 26th. The first hunt saw ten year old newly licensed Andrew N9BMB was the fox. He was hiding atop the hill in Limestone Park and consequently had an excellent signal. Craig N9FD was the winner barely squeaking past second place hunter Mike WU9D. Other hunters included Rollie N9RJM with Jane, Don K9NR, and Billie K9QT. Regrettably the editor (K9QT) is unable to readily find the pictures from this hunt. The second hunt featured Craig N9FD hiding northwest of town near Rock Creek. Hunters included Don K9NR, Rollie N9RJM and Jane, Mike WU9D, Bill N9OE with Diane N9DLD and son Andrew N9BMB, and Billie K9QT. The proximity of the creek caused some confusion. Billie K9QT won the hunt followed closely by Mike WU9D. The Sept 26th hunt featured Billie K9QT hiding at a park in Diversitech grounds in Manteno. The hunt was won by Paul W9IEY with Terry. Second place went to the team of Jim KB9VR, John N9DWE and Mark KA9MDJ. Other hunters included Rollie N9RJM with Jane, and Don K9NR. The next hunt is scheduled for October 17th.

SEPTEMBER KARS MEETING WELL ATTENDED

An overflow crowd of 32 were present for the general meeting.

The program on emergency communications was put on by Ed W9EJM. He stressed that we need more trained mobile storm spotters. Contact Ed to learn more about how you can help the effort.

Darryl KD9AUK showcased the equipment he uses for tracking balloon launches. Many club members have been involved in both the launching and tracking of the balloons. Another launch is planned for later this fall after the corn is out of the fields.

Check out the picture of Ken W9IE's newest project.

KARS BOARD MEETING

KARS board meeting will be held at 6 PM on Oct. 20th at El Mexicano restaurant. KARS members and their families are welcome to attend.

Don't forget the Illinois QSO Party !
