October 2016

ANNUAL KARS OCTOBER AUCTION

The next KARS meeting will be October 4th, 7PM at St. Mary's Hospital meeting room. Use the main entrance on the South side. **Following a very brief business meeting, will be the annual KARS auction!**

Rummage through your garage, shed, basement, attic, etc. for electronic goodies to be auctioned off. Ten percent goes to the club treasury.

Auctioneers to be the tag team of WA9WAQ and K9FO.

Anything radio, electronic, computer related is appropriate. Probably best not to bring your new \$8K rig...unless you want to sell it cheap!

FOXHUNTS!!!

With good summer weather soon to be a thing of the past, we'll try to squeeze in as many foxhunts as possible.

Saturday, October 8th is the next scheduled hunt. Time will be 11:00AM -1:00PM The fox will be Jim KB9VR, winner of the last hunt. Don't miss out! Winter lasts a long time!

ILQP CONTEST OCTOBER 16th!

Don't forget! The 2016 Illinois QSO Party is Sunday, October 16th, 12 Noon to 8PM. Operation is on all bands 160 through 2 meters and all modes CW/SSB/FM. The exchange is your RS(T) and county or RS(T) and state for non-Illinois stations.

If you don't have HF gear, check out the activity on the FM simplex channels.

So...jump in and help out. You don't have to operate the entire contest. Just hop in anytime and make a few contacts. **Be sure to submit your log with KARS as the club aggregate!**

Everything you need to know is at:
<http://www.w9awe.org/ILQP.html>

KARS CW CLASS

Everyone just knows that Morse Code is hard to learn...right? **Wrong bunk!** Done the correct way, CW is both easy and fun to learn. Once you learn it, you will find it to be a revelation. You will ask yourself...why didn't I learn this before?

At the October meeting, we will announce the "KARS CW Class."

Stay tuned for the particulars!

NCS FOR OCTOBER

The net meets every Monday at 2000 hours local time on the 146.34/.94 OR 145.130 backup repeater. All stations with or without traffic are invited to check in.

PROGRAMS & NEWLETTER ARTICLES

We strive to have interesting and informative programs at our general meetings. We also try to publish useful and news worthy articles in this newsletter.

So help us out by writing a paragraph or two about something you like. Also, if you have an idea for an interesting program, let us know! Remember! Our club is as much fun as we **all** make it.

KARS BOARD MEETING

KARS board meeting will be held at 6 PM on Oct. 18th at El Mexicano restaurant. KARS members and their families are welcome to attend.

ELECTIONS—NOMINATIONS

If you have had your fill of politics at the national level, we have just the thing for you! KARS nominations are solicited for the November meeting. There is little mud-slinging. In fact, it's a bit of a chore to get anyone to run. So throw in your hat or whatever and serve your club!

“FLEX”able Contest Operation

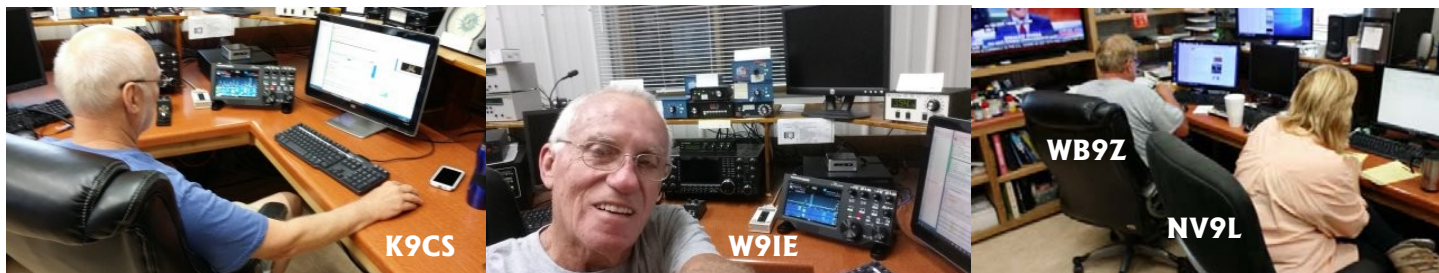

What did two Illinois Super Stations have in common this past weekend?

KARS members participated in the CQWW DX RTTY contest at the very fine stations of WB9Z and K9CT.

Ken W9IE and Carl K9CS were invited to join Jerry WB9Z and Val NV9L at the Multi-Single operation at the WB9Z station near Crescent City. Don K9NR was invited to join K9CT, AI9T, N4RR, N9CK and K9WX at the Multi-Two operation at the K9CT station near Peoria.

Unique was the use at both stations of Flex 6500 / 6700 / Maestro radio equipment.

MULTI-SINGLE OPERATION AT WB9Z

It was an honor and a privilege to be one of the Op's at Jerry's station this year. The crew consisted of Jerry WB9Z, Val NV9L, Carl K9CS, and myself Ken W9IE. Jerry did such a great job putting so many things in order at the last minute...fixing antennas, running Beverage receive antennas. Not to mention connecting up his Flex 6700 and Maestro the day before. I also installed a new INTEL NUC computer to run the station. Everyone was pleased with the operation of the Flex and the station. This year we used Val's call: NV9L and it looks like we may be 2nd place in North America... Jerry and Val are the greatest of hosts.... Food & fun. More food and more fun! 48 hours is a long, long time...even for four Hams. I think I saw Carl K9CS running Q's with his eyes shut...hi, hi. **Here are the stats: 2084 Q's, 167 States and Prov's, 299 DX, 104 Zones 2,739,420 Points.**

A big thanks from Carl and I to Jerry and Val!

The work is never done!
Craig K9CT checks out one of the
antennas during the contest

To paraphrase Ken above, it was an honor and a privilege to be one of the Op's at Craig's station this year! I first operated at the K9CT Contest Station for the first time during the CQWW WPX RTTY Contest in February of this year. It was a great experience with a great crew. We won First Place/North America and even set a new record score. For the CQWW DX RTTY Contest, Craig invited pretty much the same crew of AI9T, N9CK, K9WX, K9NR, K9CT with the addition of DXer/Contester N4RR. An exceptional bunch of experienced operators with great senses of humor which equaled a lot of fun!

Just like Jerry, Craig is an outstanding host...always checking to be sure that equipment and antennas are working as they should be.

Here are the stats: 4014 Q's, 200 States & Provinces, 372 Countries, 122 Zones, 6,243,237 Points

Many thanks to Craig & crew for everything!

Looking forward to operating from WB9Z in the ARRL 160 Contest in December!
