ALINCO DM-330mv power supply
 Antennas:
80 Meter dipole
40 Meter dipole
20,17,15,12,10M Cushcraft R-5 vertical

I was first licensed as a Technician in 1991 just before moving from Elmhurst to Wilmington to purchase our first home. The reason for getting my ham license was to be able to keep in touch with a friend of mine back home. Back then it would have been a toll call and I didn't have the money to pay for toll calls back then. I got my license and he didn't. But that is another story. I upgraded to general in 1995 and have had a ball playing radio ever since.

I enjoy working contests and DXing. But one of my favorite things is Field day. Playing radio outside with friends is always a good time.

In the last year or so I have really got into working FT8 using my Flex 6300 radio. With my setup I can work DX on FT8 and not wake up my wife late at night. I love the silent mode on my Flex radio.

The way things are going right now Dayton is not in the picture. Like the Cub's fans use to say, "Maybe next year"

Include a little write-up of your gear, and your favorite activities.

We want to hear from everyone! Do it today!

KARS SHACK OF THE MONTH—N9MBR

W9IE's LATEST HOMEBREW PROJECT

Einstein once said that an uncluttered desk was the sign of an uncluttered mind. Ken W9IE takes Einstein seriously! While Ken's operating desk is impeccably clean, his test bench is...well...functional! Just as you can't make an omelet without breaking a few eggs, you can't build cool ham projects without a little constructive clutter. Einstein would approve! Ken is incorporating his automated remote antenna control projects into a very neat package. A marriage of traditional home brew and state of the art. Very neat indeed! "Has anybody seen my reading glasses?"

2018/2019 KARS HOLIDAY BANQUET

A great evening, wonderful people & prizes

Some big smiles there!

Clay N9IO presents retiring President
Don K9NR with his 50 year plaque

WA9WAQ enjoying the evening

A house limit crowd!

Little ones had fun!
What's her code speed?

The table closest to the prizes!

2018 New Years Eve Dinner

Good Food, Good Fun, Nice People!

That's a lot of smiling faces

We hope everyone had
a good 2018 as we
look forward to
2019!

Transmitter Hunts!

We hope you were able to attend and had a safe and happy new year!
