LEARN YOUR LOCAL HISTORY—GO ON A FOXHUNT

By Clay N9IO

May 8th our fox Jim WD9GXU “not a local” took our hunters to a place we “locals” had no prior knowledge of. We were led by way of 2 meter transmitter signal to the former residence of a highly decorated war hero of WW2, Korea and Vietnam just south of Momence, Illinois.

From the Wiki page:

“[Colonel James Helms Kasler](#) (May 2, 1926 – April 24, 2014) was a senior officer in the [United States Air Force](#) and the only person to be awarded the [Air Force Cross](#) three times.^{[1][2]} The Air Force Cross ranks just below the [Medal of Honor](#) as an award for extraordinary heroism in combat.

Kasler was a combat veteran of [World War II](#), the [Korean War](#), and the [Vietnam War](#). In Korea, as an F-86 Sabre pilot with the [4th Fighter-Interceptor Wing](#), he was recognized as an [ace](#), credited with shooting down 6 [MiG-15s](#).^[3] Kasler flew a combined 198 combat missions and was a prisoner of war in [North Vietnam](#) from August 1966 until March 1973.

He flew a total of 101 combat missions in an [F-86E Sabre](#) and scored 6 confirmed air-to-air victories and two more damaged against [MiG-15s](#), becoming among the first [jet aces](#) of the Korean War.^[4]

He spent the last 39 years of his life as a resident of [Momence, Illinois](#), where he owned and developed South Shore Golf Course in Momence and had interests in banking and real estate, served on a number of boards and received a variety of civic and service awards.”

The residence is now owned by a local who wanted to honor the memory of the Colonel with the memorial pictured above. The memorial is situated on what was formerly the 4th hole of the South Shore Golf Course from the 1920's era. We thank this current resident and patriot for his desire to preserve the Colonel's memory.

KARS FEST UPDATE

By Art K9XI

Wonder what's going on with KARS-Fest? Well, the preparations are now moving pretty quickly. Turns out that there are only three Hamfests left within a 120 mile radius of Chicago, between now and KARS-Fest, and none of them are in Illinois. The DeKalb Hamfest was on June 2. The Hamfests remaining before KARS-Fest are in Michigan near Grand Rapids, near Indianapolis (ARRL Indiana State Convention), and in South Milwaukee. I've been in touch with the hamfest chairfolks at all three of these and they're (almost) anxiously awaiting our prize and flyer packages. Those packages should be long into their hands by the time you read this. Each Hamfest is getting either Prize vouchers for tickets; in the cases of Indy and Milwaukee, getting the actual tickets (since those Hamfests occur a week before KARS-Fest); three prizes, consisting of one ticket or voucher per envelope.

As to KARS-Fest itself, there'll still be a lot of the usual there: License testing is on the list (get your interested non-ham friends studying for their exams!); Vendors--there are at least THREE signed up for now. Gold Medal Ideas is back! Hats, Shirts, badges, all that sort of stuff--you've seen them at Dayton; Dits and Dash is going to be there, as well as a couple that will be mentioned maybe next month. And Tom Beebe W9RY, ARRL section manager, will have a forum on what's happening with Ham Radio at the FCC and at the League.

Finally---Does anyone here know of someone needing to have a Ham Radio Estate Sale? Why not have the equipment auctioned at KARS-Fest? It's a great idea--- think of the crowd already in attendance at KARS-Fest. In 2019 the auction turned out to be the most successful part of KARS-Fest. Danny Loftus, WA9WAQ, is the host. You can contact him through the KARS-Fest email: karsfest@gmail.com. Or leave a message at 815-348-7752, the KARS-Fest Hit Line. Let's help you with your estate sale.

That's it for now. More next month.
