FT-8 operation at May Meeting

The next KARS meeting will be Tuesday, May 10 at 7PM.

After the usual short business meeting, there will be a program on FT-8 operation. See you at the meeting!

FIELD DAY

Bill N9OE has volunteered his QTH in rural Bonfield for the KARS 2022 Field Day site. Bill's place is located on twenty beautiful acres about 1/2 mile West and 1/2 mile North of Bonfield.

This will be the first Field Day since before the Communist Chinese Wuhan Plague. Needless to say, everyone is looking forward to it. Setup will be starting about 10AM Saturday morning.

There will be the traditional Saturday evening cookout. A grill will be provided and the club will supply burgers, brats and buns or bring your own preferred meat. Bring a chair, your own table service and a dish to pass. We will use the KARS club call W9AZ and K9FO for the GOTA station.
