Using Grid Tracker with WSJT-X Program scheduled for November Meeting

The next KARS General Meeting will be Tuesday November 8th, 7PM at the Bradley Bourbonnais Sportsmen's Club in Bourbonnais.

After a short business meeting, Bob NN9T will do a presentation on the program "Grid Tracker."

Grid Tracker is a free application that seamlessly integrates with WSJT-X providing the operator with a wealth of information and useful utilities. Be sure to attend and find out what Grid Tracker can do for you!

Happy Thanksgiving!

NOMINATIONS

Nominations for KARS Officers and Directors will be entertained starting at the November General meeting. If you know of someone you believe would be a good candidate, let them know and nominate them. Better still, nominate yourself for an office/director and help out by serving your club!

NEWS YEARS EVE DINNER

Assuming the Wuhan Labs bio weapons division doesn't unleash another wave of highly contagious viruses to plague the world, we will once again hold the unofficial KARS New Years Eve Dinner get together.

If, like a lot of people, you don't like long, loud parties or bars but would like to spend a little pleasant time with friends ringing in the new year (and hopefully new politicians), then this is for you! This is a semi-impromptu dinner at El Mexicano's Restaurant. No reservations, no deposits, no formal dress. Order from the menu. Come and go as you please. Technically, it starts at 5PM but it really starts when you get there! So, make sure you get there! You do not have to be a KARS member to attend. Happy New Year!

ANNUAL KARS BANQUET

The official annual KARS banquet has also been a past victim of the Wuhan plague and overzealous politicians. That is hopefully a thing of the past.

Consequently, we have decided to schedule the banquet for April of 2023. Final date to be determined. In this fashion, we hope to avoid radio contests, events and icy sidewalks. The likely venue will likely be Brickstone Brewery.
