“Grid Tracker” enhancement to WSJT-X

The next KARS General Meeting will be Tuesday, June 11, 7PM at the Bradley Bourbonnais Sportmen's Club.

Our program is about a program app called [Grid Tracker](#). An add-on software that compliments WSJT-X with it's many enhancements. At the end of the program Field Day will be discussed along with a brief business meeting. We look forward to seeing you there.

ARRL FIELD DAY

ARRL Field Day, the largest operating event in Amateur Radio will be held Saturday June 22nd to Sunday 23rd. Setup will start around 10AM Saturday. KARS will be operating:

Saturday 1PM to Sunday 1PM Bill N9OE and Diane N9DLD have once again offered their beautiful QTH just west of Bonfield for the KARS Field Day site...2397 N 10,000W Road.

The main callsign to be used will be W9AZ and the GOTA station call will be K9FO.

There will be the traditional Saturday night BBQ. KARS will supply a grill, burgers and dogs. Bring a dish to pass and your own table service.

Also, don't forget a chair! For complete details, attend the June KARS meeting where the final Field Day plans will be worked out.

SMCFEST 2024

History

The QSL card shown below is that of Dr. J.R. Wilkinson, "9AZ" of Kankakee Illinois. The card was sent to "9APY" of Berwyn, IL in November 1925. The callsign 9AZ was changed to W9AZ in later years. The earliest record of W9AZ as a member of the Kankakee Amateur Radio Club; (a forerunner of the present club) is in early 1942. Dr. Wilkinson became a silent key in 1945. In 1962, research into the possibility of obtaining a two letter call for the Club Station was successful when it was learned that Dr. Wilkinson had been a member in 1942. Application for a license was made with proper certificates submitted to the FCC and a license was issued in 1962. President of KARS in 1962 was Mervin Reed, K9CZA. The QSL was donated to KARS in 2001 by Paul Christensen W9AC, a very dear old friend of Clay N9IO.
